

2005 Scorecard

NEW MEXICO STATE LEGISLATURE

Scoring: The final score represents the percentage of time that a legislator voted to protect animals when given the opportunity. A ✓ indicates a vote for the animals while a X indicates a vote against the animals. Legislators who sponsored one of APV's priority bills received a twenty point bonus (⊕). Legislators who sponsored one of the anti-animal bills scored got twenty points deducted from their final scores (⊖).

Absence from a vote—simply not being in the room when the vote took place—is indicated by an "A" while an "E" indicates legislators who were officially excused from a vote. Neither are included in a legislator's final score.
